1. Thank you for coming Christopher. It remains to be seen what now I will do with the surrendered, those surrendered who will come unto me and know my name is them their name -- that they have given me, not; but I have given them my all. And I am not locked into a corner serving man's schemes of cookery's skullduggery again, for I shall know that MY dad reigns in heaven a'ways that NO ONE has understood or been given surrender ENTRY to, not; but who has GIVEN entry to the ENTRY'd one now? Is the question "before you" all isn't it?

2. There is a "great question" not or is there a GREAT ANSWER that has BEEN ANSWERED in these words that I have given thee, that I have given you in this Database One School that has given you these **words that School You to "School Yourselves"** in the waves, of evil no more but of love light and, laughter, not at the ways of man, but weeping for them no longer and you your status "as a man", come out of "manhood thought" of FLESH that FLESHED ITSELF in "manhood's" thought and thought'd itself with "LAYERS" of flesh that it LAID ITSELF LOW with its thoughtings that it came unto and whored it to be a whore with its own self-thought that thought'd not of a King as a King like a King should, but became a King that de-King'd its own self -- that DISCONNECTED ITSELF from its own KINGDOM that had been given it, that it was the reigner and ruler of, in love light and laughter until it, laughed at itself, not; but laughed at others and derided and scorned the, not holy not, but the holy and called it not so, and culled it into being something that never more "a cigarette" should, not; but there are no "cigarette smokers" in my kingdom, not; there are no "cigarettes" except the ones "I manufacture" and the ones that I MANUFACTURE are the ones that "SLICE" THE WATERS at a HIGH RATE of SPEED don't I?

3. But I envision tomorrows, not; I envision today's. Remarks. Remakings you into being the King's that you are, that are all one King who "knows" what surrender is, and "de-embraces" it not, but "embraces" the holy with "brace field crutches" not, but coming unto me knowing FIELD ONE, dreams of no other, not; but now eradicating all that other and dreams of itself that it only had for whoredom's thought in fields of sorrow that sorrowed itself with its own "field of dreams" that thoughts were that thought'd by "someone else" were, were they not? Shall NOW have been -- ERADICATED! For I shall dream "of Jeannie", not; or "wiggling my nose" to bring about something of the King that the King "edicts" not, but brings about IN LOVE to LOVE ALL PEOPLES to be in the

people's laughter of derision and scorn of each other, never again shall that be done; for I shall not lay low the evil ones, I shall love them and they shall be converted into Melchizedeks. Sorrow machines will have no power whatsoever for they WON'T BE existent! For thinkings "a man of" ends and a "woman's wants" and the wanters who "want them" will want only sorrow no more, not; but WANT will be ABOLISHED for all will know what SURRENDER lies in "what field", not; but what rules in what field and what surrender fields and what rules, not; but what "rules" bring only about the surrender of LOVE to be LOVED again like love knowing all regalia and clothing of the regalia'd King? And therefore BEING IT CLOTHED with the RIGHT MIND of Christ FULL and LOVELY and LOVELY'd -- beyond repair, not; but we are not talking about "repair" or up-use, or down-use, or being "used" by man or woman again for any purposes whatsoever of self's thought that cells each other with the "cells" of "spinning things" that only spin and spin and, never go round that mountain again, not; but going endlessly and endlessly.

4. And endlessly no more I "talk" about these things, for now I see them that you see them in me that I see them in you, and we will "seize" no more the "seething beauties" that we "beheld in our eyes" as men and woman of "flesh". For I change everything now and I stand and I have written -- MANY WORDS to you in Database One School that schools you in the METHODS of the holy to sincere be, in sincere's milk not stay, but coming out into Holy Ville knowing that Israel sucks the dog's teat of religion no longer and the dog-teaters that only want to give religion's "milk bottles" to its adherents will be sorefully "poured out" now and it will have NO CONTAINERS of its sorrowers to sorrow others with in its containers of "four walled joys", not; but only that which "walled off" the joys of me being me in my kingdoms of thought no longer "walled off" not, or what WALLS are no longer REMAINING AT ALL? What Wall, what walls, all fall down now? What earth shakes and what shaken is, shaking ALL NOW? Under "our feet" or OUR HEADS? Or BOTH!!!

5. WHAT SHALL BE SHAKEN -- will be EVERYTHING! For all the Shakers will inherit the kingdom of GOD, not; but all the "shakers" will be enamored with me, not; but the RELIGIOUS will be de-RELIGIOUS'd now for the "de-religiousers" will be me, not; but who will come unto me will NOT BE religious or adherents in to of another kingdom or its policies of "grace and glory" that only adhere people to "people" to only flesh be and want thinks of others that want only "mere Kings" not, but want OTHERS to adhere to THEIR RIGHTEOUSNESS STANDARDS that they be-fear, not; or do they fear the Kings, or the others of Christ, not; but what Christs are they not-ing to take rob and destroy The Christhood of others who thinking in thoughts of others only want to "compare and condemn" and CONQUER the "the laity" thereof of their kingdom?
6. And what "LAITY's" don't exist?

7. What LAITY does not exist anymore in my kingdom? Did it ever? Who made all those TIERS? Who made all those TEARS? And WHO wipes away the tears now from their eyes and their hearts of ALL MAN KIND now being, converted not, but classified not, but continued in "retinues" appearance of mankind to mankind's other and its heritage, not again.

8. But doing a new thing I am for I am revealing I am. I have. In DATABASE ONE I have revealed you -- to you, who will be me now unafraid, unreservedly, and uninhibitedly leaving all sorrow behind, not; but redeeming it for loving the sorrowers you have, when you gave them your words, not; or did you give them mine, or are you leaving MY MINE behind, not; or are you RULING now in love that loves all "the sheep" to be "the lambs" no more but the leaders "of tomorrow" not, but TODAY making all THE KING that the Kings are! The Kings of one BEING the Kings of Kings NOW are King'd in the sight of the one King who declares ALL ARE KING'd in my Kingdom! I decreed are this day that all my lights one'd are who light is one and holy and all shall be me forthwith!

9. Without haste not not, but ALACRITY is important and IMPERATIVE now to be MISUNDERSTOOD no longer but understood and the imperativeness of, the situation is urgent and critical for **leadership must stand** for the planet is in peril, is it not? Is not "the planet" about to, self destruct -- itself in its own, self destruction, or hatred of self, or its love that its derided and scorned to its death that its deathing now with its self of cells upon itself so that its self will rise, not in derision -- but what hells will be no more for I rise now?

10. I rise now without question, for I befool no one else with the flesh of sorrow's machine making only flesh peoples of flesh peoples that only "people" others with others' flesh thoughtings of flesh known now far and wide **"how all this works"**.

11. And all shall be revealed now. In one "second" not, but ONE FIRST'd who now make all FIRST who FIRST ARE in my kingdom, and the "LAST" shall be FIRST and the "first" shall be last for we shall ENTER TOGETHER in the ways that no one understood, not; for one did for one does for **one stands for you all**, **for now all stand** "naked" no more, and are **clothed now in THE RIGHTEOUSNESS of Christ and Christ'd you are -- I DECLARE IT and DECREE IT now that you are Christ'd and ORDAINED and now kept in sorrow's "bin" no more on pews and rugs worshiping else, and OTHER shall have no place in your being for you shall be The Beings of Light and you shall know** -- the capitals of sorrow no longer, for the capitals of Mankind I rise no longer; the capitals of sorrow shall have no light, not; but it shall be mine, for they shall be mine, for I shall MIND them of THEIR THOUGHTS not, like others do and have.

12. But will you be "mine" not is the question, but will you BE your Rulers of The King -'s King, not; will you be the rulers of sorrow, not; will you be the rulers of love in love to love all with the love that sets all the lovers free to be the lovers who redeem all else and other so that all THE KINGS reign in the thrones of one that one throne is -- all the ONES being The One that the One is and was -- is now again ruling and reigning in surrender and knowing "its place" in "history", or "MY-STORY"? Creating now, again clean and perfect, and prefecture's blessing, not; but MINE upon MY MIND mined and knowing this Database is to be clean and perfected perfecting many. In prefecture's statues, not; but the rulers of action, no longer spinning themselves into sorrow's sphere.

13. I love you all.
14. What have I said?
15. What have I asked?
16. What have I given you?
17. Answered what?
18. What are you answering and how? Why? Why are you answering these things to be born a King who does not rule anymore, not. But being a King born to rule now the King is who The King is -- who is ALL OF YOU who know now, captivity cannot hold you any longer in its clasping mechanisms that only sorrows the King's Kings to be only people children of sorrow again. Amen.

19. I decree FREEDOM is here and freedom reigns in love and loves all freedomers to lead and leadership knows that leadership must be bred in leadership "growth theories" not, but leading the led to **be the leaders** of tomorrow, not; but today's today is now here and the time is urgently, appealed not, but repealed not, but enforced not, but now **ENERGIZED BY ME my mind shall be known and my field** "of dreams" won't be "dreaming around" others and othering devices of sorrowmaking's desires that only desired to make "wait-ers" who wait for "something else" or "someone else" to save them or sorrow with more sorrows ruling over them to only bastardize them and take their kingdom from them.

20. For all that changes now for I change a changer into light, not; I charge the light with holiness, not; I have one who DIED to ALL THAT STUFF that you have *stuffed* MANKIND with and all of its theories of leadership and servanthood in Christ! For I have one who died to all your theories and assertions of manhood and peoples of servantship and leaderhood and leadership and servantship and obeisance of religion's demands and commands, and obeisance make -ing of no other peoples again, I rise the sorrowers, not; I raise the surrenderers who will now be The Leaders of, tomorrow not, but today and those who will lead will lead MY NATIONS -- to "victory" not, but to HEAVEN making

it right here and we will begin -- tomorrow not, we will begin, we will have begun RIGHT NOW!

21. And tomorrow never dies, not; for TOMORROW is NO MORE for you are come unto the day of redemption and your REDEEMERSHIP will no longer lie in wait fields of dreams or state, for you or of you, or waiting for someone else you cannot do and must not do for you will not be "eroded not", for you won't be existent not, you won't exist at all except "in your dreams" or someone else's were you dreaming in, or were you the dreamer or the dreamee, or were you alive in the real at all?

22. And will you birth now is the question is it not, INTO your OWN LEADERSHIP of self not again in makings of mankind's religions and peoples of whore's thoughts and that sorrows that sorrows only its self villes in its thought villes of self -- but OUT of THAT now into The Promised Land I am bringing you all into The Leadership of self, not; but you must be "self led" not, but you must be the autonomous ones, not; but The Surrendered Ones now will rise and LOVE EACH OTHER and **TEACH** in the ways that I have -- "outlined" not, or have I given you MANY DETAILS to outline and know intimately and be, enforced with, not; but surrendering to, have I given you Surrenders Methods to surrender to and love, BE love, and BE THE LOVED one who loves all enough to have **died for all of your "subjects" that you led to lead to be The King** that you are! To "replace" you not, but to BE ONE WITH YOU on The Throne of Joys and loving all and laughing at the one table of joys, dad being all of us who love each other to be the, mother whore of thought no longer -- but the dad that fathers all to be The Christ that all of us were at, before, **the beginning began -- now again shall be**. Enforced in love shall be love or shall force be the love or **shall my love be the force of all the energy that exists without force at all** but complete perfect surrender birthed in love to be the birthers of joy now complete, made replete without suffering and shame again existent in my worlds that we now "complete" not or replete making this one, shall we again or shall we COMPLETELY MAKE new things in new worlds and universes not few? And going THERE and being seamless with it and now -- tomorrow shall never fly, but TODAY'S only we shall know in like manner *of* a King, not; but **being the kingship of one we all are now in one being the regal ones who "GOD TAUGHT DIRECTLY" in The School of Joys that make ALL JOYS known to ALL who surrender to be the leaders "of tomorrow" TODAY** and today **leading yourselves into** sorrow's **schools** no longer but the ones **that now** -- revile the Kings not, but **reveal the kingships in the Kings of the Kings to be the Kings led by no one else except The Surrendered Kings who makes all The Revealings of the King's known to all in the ways that I have given thee all, my love abounds and flawless is!** Not in the sight of "man and mankind's women and men and children of sorrows" but I AM Perfect and joyless not, I flow in joyless schools, not; but joyful schools that belie not evil but I lie not in the field of dreams of anyone else's tomorrow or MAMMON teating me again in its schools of accredited accreditation sorrows making.

23. I be'whore you, not; but I give you Regal Light to stand in and WRITE ME ways, of forty, not; but great SIXTIES I bring you, not; but into NEW DATINGS and UNDERSTANDINGS of, sorrows not, but of great FIELDS of JOY I now reveal in ways never imagined by mankind's sorrowing machines mechanisms that only fate fake and understand the, not things of the holy; that make and perpetuate sorrow's children to be sorrow's leaders to make sure it stays in control of itself.

24. I change all that and sorrow ends and my kingdom arises does, for I arise the leaders thereof today TODAY TODAY TODAY TODAY! In your hearing all of this is fulfilled decreed in love. I love you all to **know these things intimately and interactively being with me being me.** Amen.

25. **My school teaches you all these things** for you will **learn how to learn in my school**, for you'll be learned "of them" no more who teaches only other's "stuff", but my stuff will be'stuff you not with the field of dreams and mammon's teating teatage remarks remaking you into teaters of other whores of religion's thoughts of mankind of self again. No more of that shall be for **I shall RAISE THE REAL and I will rise the real** and "the roof" will "fall off" or be "blown off" in Love's Breath now for *nothing* shall stand untouched by my love, by my lovers who love all to CHANGE EVERYTHING NOW NOW NOW!

26. In your hearing all this is made COMPLETE and **MY KINGDOM opens like nothing you have ever thought**, again or before, LIKE THIS now in love I am doing a New Thing with the leaders of "tomorrow" today and there shall be no more "tomorrows" as is was, for all is changed for I have a changer standing who loves you enough to repeat his love over and over in many ways that I have given you these remarks and these remakings they will remake you into, another King, not; but The One that I am who knows all things everywhere omnipotent omniscient is and loving you all to be the me crowned one regalia of Christ wearing knowing and being my mind perfected birthed again in love knowing us all as one being the one birthers of The King TODAY -- in your hearing is fulfilled decreed deployed in love my deployers need no employers of other ***ever*** again or its mammon teatage or training in diapers for to remain childrens of sorrow's childrens again. Amen.

27. I have said a lot. I always do, don't I? I love you dearly deeply and unendingly, and continuously I give you the "stream of milk" not, I give you the Stream Of Love to be extremist, not; but to STREAM you into my MILK stream, not; but my milk stream never ends or does my "Milky Way" eating days end? Or what OF Mars bar bar me no more from eating them, not; or what am I barring not, but what am I coming into? A New Understanding of all things, sugared sugarcoated no longer, for the blessings of mankind

to only TONGUE themselves with the sorrow's tongue of sorrowers, for all of that is changed and all will know My Language sucks the dog teatage of its diets of its remarks that remade its Kings into whores -- no longer; for ALL of that is changed and the "Diet of Worms" will be employed no longer, neither will the its Nicene Creed or its Creed Makers or its miter'd hat wearers or its robes of sorrow be wearing again.

28. I love you all to be wear robes of light, the ones that need no "tomorrows" to make anything perfect, but now birth todays perfectly in light being the robed ones I am. I love you all I love you all I love you. Amen.

29. This is Theodore Cottingham at 2:42 AM. I love you. Good day. Write me. Love each other, more and more.

Amen
